- ~ Send us this Reservation form now without payment - We will email or mail you a great looking Reservation Certificate with your Paver text on it - great for a gift!
- ~ We'll contact you when it is about time to have the Pavers engraved. You can submit your payment at that time, change your engraved text, or cancel your reservation.
- ~ For each batch, we must wait to engrave until we have orders for at least 15 pavers, during warm dry weather - hopefully once each summer. TELL YOUR PATCHES PAL FRIENDS!
- ~ All proceeds will be donated to the **Children's Hospital Foundation** in J.P. and Gertrude's honor, after a small portion is reserved for costs of paver engraving, waxing and maintenance of the "Late for the Interurban" statue.
